

# Printables for “Delivery Game (within 1000)”

KNPIG ID # T 5523.5 – PINK

This file contains printables for a small group of students.

For each additional group of students print 1 whole activity file.

- 2 Truck Picture Mats.
- Stick Picture Cards- 3 Pages: 72 cards in total.
- Bundles of 10 Cards- 3 Pages: 72 cards in total.
- Big Bundles of 100 Cards- 5 Pages: 20 cards in total.
- Customer Order Cards to 1000- 2 Pages: 18 cards in total.

Print one set of each item listed above per 2-5 students. Adjustments to the number of printables can be made when using this activity with less students.

Teacher need to supply students with a writing utensil and writing space. In place of using the picture cards, students can use physical sticks and bundles. They can bundle ten groups of ten into "super bundles" of 100.

**Teacher Note:** The easier version of this game is where students put the cards face up on the truck, so they are visible. Encourage more sophisticated thinking by having students put the cards "in" the truck (under the picture).

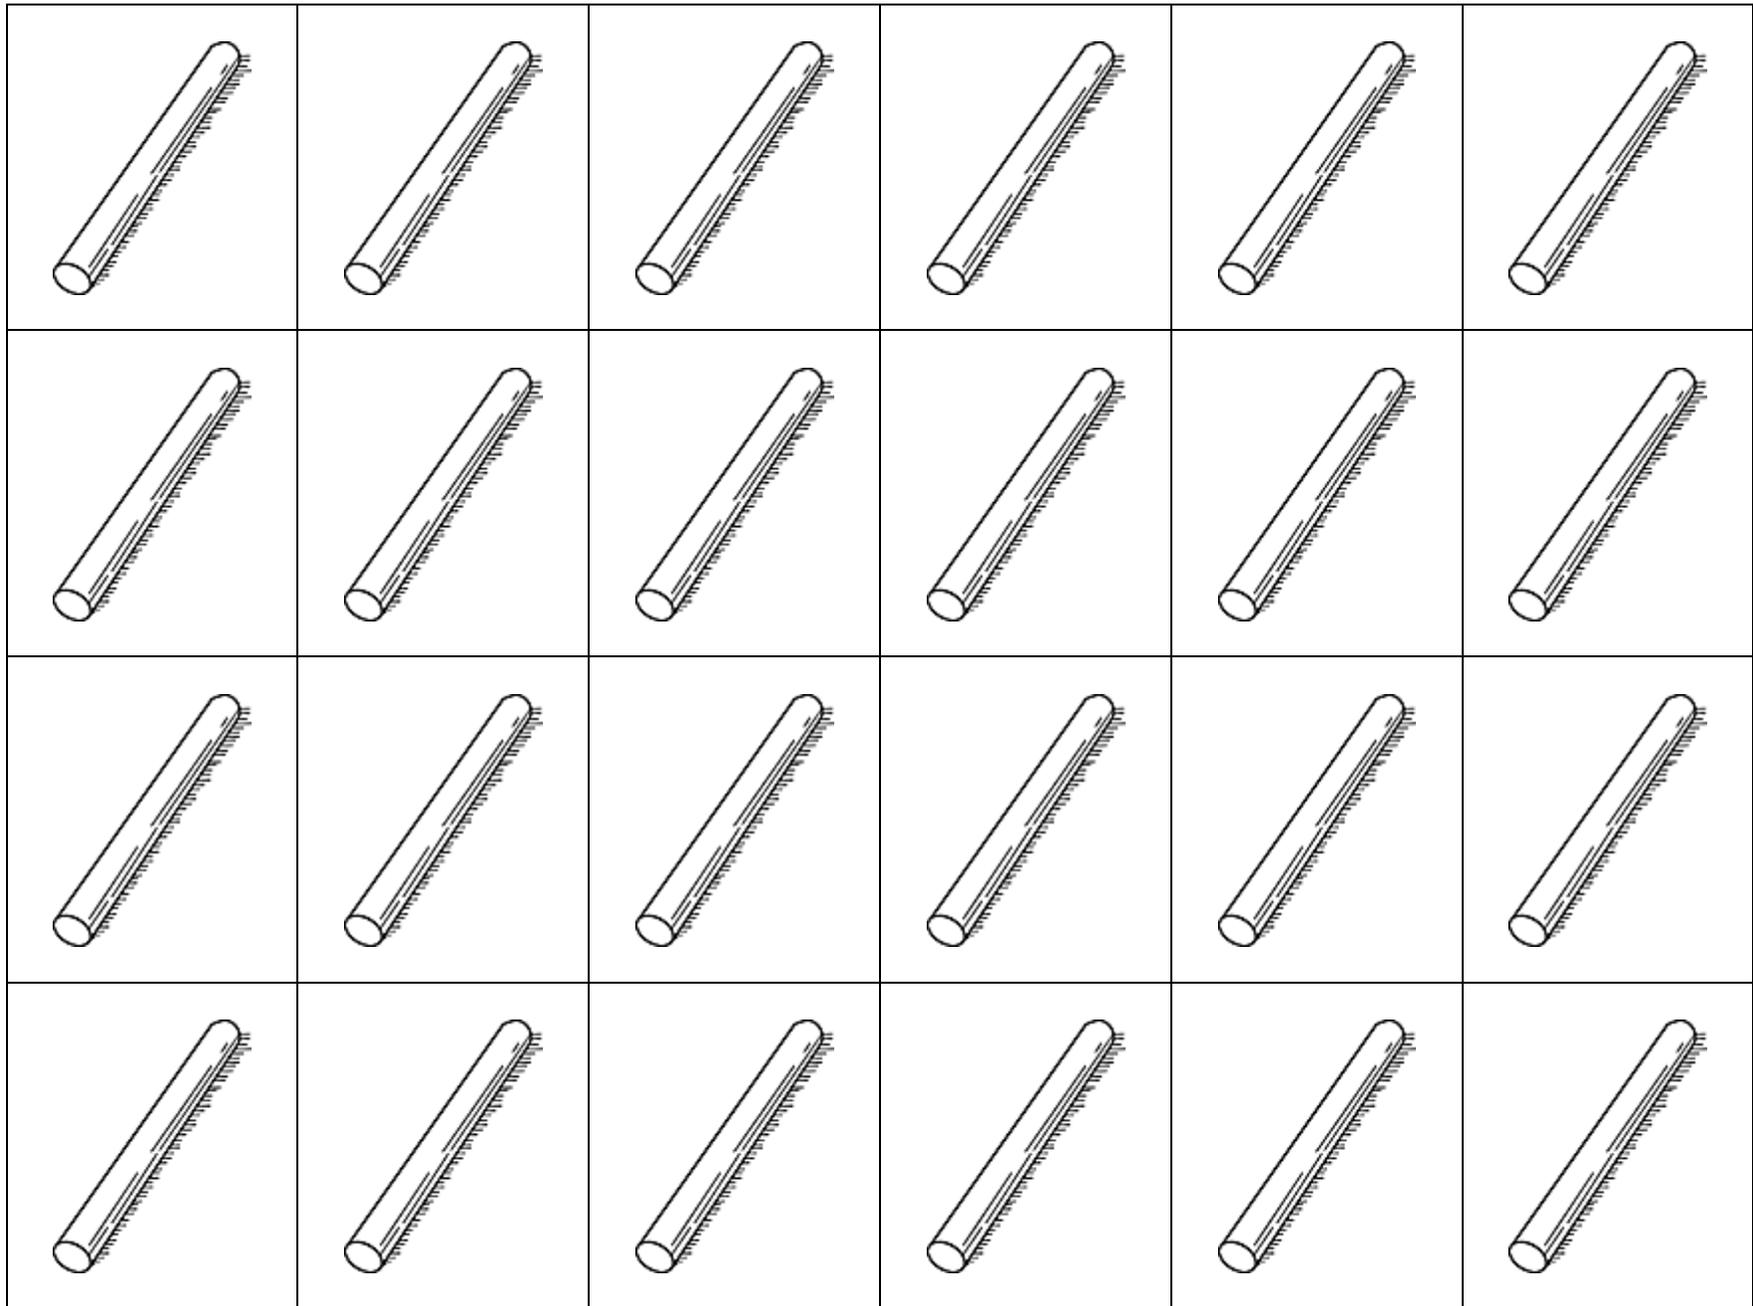

Also assess the development of subtraction strategies, similar to the Assessment for Learning task provided. Ask "easy" questions that don't require unbundling/decomposing and "hard" questions that do.
